

REASONS and INCENTIVES for DAC PARTNERS

Why to be in DAC ?

1. First of all a great and large partnership of Universities and Corporate partners with different expertise profiles, **an unique ecosystem for integral innovation**, representative for the Euro-Region Danube and as a joint body, **a powerful voice**, in the own country, in the EUSDR, in the business and academic world.
2. An international structure and a colourful multiculturalism along 3000 km of Danubian waterway and multi millenary history, a base for **common identity** and as **a seminal base for reflection and unexpected insights**.
3. A smart brain pool with 300 000 students from nine countries and more than 9000 scholars (professors, lecturers, assistants, workshop masters) as **a power house of creativity, conceptualizing, expertise advice, prototyping and testing facilities, a rich choice for teaming up**.
4. Source of initiative for **cross-disciplinary and cross-border projects**.
5. Live **interaction with corporate companies** for **exploring technology edge** Creating **new products , visionary concepts** and **experimenting ideas**.
6. **Habitat projects** with **creative communities** for **thinking in local resources**.
7. **DAC Creativity Summer Campus** attended by students of DAC and Latin American and **Asia-Pacific** and **Africa strategic partner Universities**
8. Meeting **bright young talents** and **unexpected game-changing concepts**.
9. **Homogenous formats** of activities across **DAC**
10. **Homogenous standards** of evaluation, and criteria of selection.
11. Organized **meetings with investors** and **potential employers**
12. **And last not least, because is a lot of fun to be a Danubian**, celebrating together **Danubius DAY** on **June 29. every year**.
