

From Black Forrest to Black Sea, from Brain to Business, DAC

DAC PEOPLE Program

DAC People is addressing the creative talent in the communities and public

Activities:

1. INNOVATION is HOPE

- Solving community problems with local resources
- Stimulating local talent and craftsmanship
- Inspiring the community development by creativity
- Bringing up the craftsmen to contemporary market

2. THINK and TINK

- Public creativity contests
- Talents identification
- Addressing routine problems in an original way
- Outlining expectation horizon

3. SKY is the LIMIT Involving kids 9-12

- Far-Vision projects (based on speculative imagination)
- Talents selection
- Joint projects with students
- Super groups
- Career guidance

4. DAC Public Team

- Promoting champions of creativity in communities
- Public problem solving teams
