INFORMATIVE LETTER OF INVITATION

Dear colleagues!

We invite you to participate in

The International scientific and practical conference

X DANUBE SCIENTIFIC READINGS

« Cross-border cooperation as a factor in the active progress of innovations in the economics, science and education»,

dedicated to the International Day of Science in the name of peace and development,
which will take place on October 31, 2024

The purpose of the conference: implementation of a comprehensive scientific discussion of the current state of research in the field of economics, science and education in the context of cross-border cooperation; providing a platform for the free exchange of opinions and research results on solving the problems of introducing innovations in various fields.

Ukrainian and foreign scientists, educators, higher education students, representatives of state authorities and local self-government, practicing specialists who are interested in the development of cross-border cooperation as an important factor in the active progress of innovations in the economics, science and education are invited to participate in the conference.

Panel discussions are planned in the following areas:

- The dominance of multiculturalism and cultural traditions in the transboundary Danube region
- Clusters of economic projects as a resource for sustainable development of the Danube region
- The professional competence of the individual as a factor in the ability to lead in the science, education and economics
- Socio-historical and psychological-pedagogical problems of preserving the physical, spiritual and psycho-emotional health of modern youth: interactive technology solutions
 - The Ukrainian Danube under the conditions of martial law and post-war reconstruction
- The functioning of languages in the polylingual area between the Dniester and the Danube rivers

Forms of participation: in-person, distant, virtual.

Conference working languages: Ukrainian, English, Bulgarian, Greek, German, Polish, Romanian, Turkish, French (for non-Ukrainian entity).

Participation in the conference will be confirmed by a certificate (optional). Based on the materials of the scientific and practical conference, a collection of scientific articles will be published.

The registration on-line form for participating in the scientific and practical conference should be filled out until **October 27, 2024** at the link: <https://forms.gle/yanMkkQFvbm89GAE6>

The application on-line form for obtaining an electronic certificate should be filled out until **October 27, 2024** at the link: <https://forms.gle/WCXp96DqHAQS7MAr7>

The text of the article should be sent to the conference organizing committee until **October 30, 2024 (inclusively)**. Materials should be sent to the address: nauka_idgu@ukr.net

FORMAT REQUIREMENTS

The text submitted should be 3 – 6 pages in length; A4 (240*297 mm) page format; in MS Word with extension *.docx, *.doc or *.rtf; Times New Roman font, left, right, top, bottom margins - 20 mm; size 12 pt, 1.0 interval, 1 cm paragraph indentation.

The required structural elements of the text: introduction, main part, conclusions.

The code number UDC (ordinary print) is to be given on the first line before the name of the author/s in the left hand corner. The following paragraph – is the title of the article in capital letters, below is the first and the last name of the author/s (the number of the authors no more than three) in the English language, with reference to the author's/s' information details in the form of comment. The following paragraph – is the title of the article in capital letters, below is the first and the last name of the author/s (the number of the authors is no more than three) in the Ukrainian language, with reference to the author's/s' information details in the form of comment.

N.B.! Brief author's/s' information details are to be given in the form of comment to the author's/s' last name with the help of "Superscript" function: the ordinal number of the comment is indicated (e.g. ...¹ ...²), and below the text of the article under the title "Comments" the necessary information is given in the English and Ukrainian languages (academic degree, academic rank, position, place of work, contact details with the indication of the author's ORCID).

The following paragraph – is the text of the abstract (250-300 cpl), the key words (5-7) in the English and Ukrainian languages. On the next line the text of the article is given. "List of references" should be given after the text in the order of their appearance in the text. The references to the sources used in the text are given according to the model [2, p. 364; 5, p. 127; 7-9], where the first number is the number of the source in the list of references, then, after the comma, goes the number of the page; several sources are given with the semi-colon or hyphen. The bibliographic description of the literary sources is given according to the DSTU 8302:2015 requirements.

The graphic material should be performed in the programs available for further editing. For pictures and tables it is necessary to use Times New Roman font, size 11 pt, 1.0 interval, black-and-white gamma scale, the description is given below the picture, full justification. The tables should have the title and number in Arabic figures, in one line with its title. The tables in horizontal format (broad size) are not

accepted. The broad size of the table should not exceed the broad size of the text. Mathematic formulas are presented in Microsoft Equation Editor. Except for publication in the text, all pictures, tables, photos should be submitted in a separate file. Scanned (photocopied) tables and pictures are not accepted. Word division (including automatic) is not accepted.

N.B.! The articles of postgraduate students and master's degree students should be submitted together with their scientific advisor's review or the department's review and recommendation for publishing, certified with the seal of the educational establishment or other establishment.

The files of the participant should be named in accordance with his surname and initials, e.g.: *Article_Olijnyk.doc*.

The organizing committee reserves the right to reject the articles that do not meet the topic and the requirements. Authors and supervisors are responsible for the content of the article.

Organizing Committee contact information

**THE GREEKS IN THE ETHNO-SOCIAL STRUCTURE OF THE SOUTHERN BESSARABIA
URBAN POPULATION IN THE FIRST HALF OF THE 19TH CENTURY (BASED ON
POPULATION CENSUSES)**

Viktor Drozdov¹

**ГРЕКИ В ЕТНОСОЦІАЛЬНІЙ СТРУКТУРІ НАСЕЛЕННЯ МІСТ ПІВДЕННОЇ
БЕССАРАБІЇ В ПЕРШІЙ ПОЛОВИНІ ХІХ СТ. (ЗА МАТЕРІАЛАМИ ПЕРЕПИСІВ
НАСЕЛЕННЯ)**

Віктор Дроздов¹

Abstract. *Based on the population censuses analysis the number of the Greek ethnic group of the cities Akerman, Tuchkov (Izmail), Reni and Kilia, its sex-age and social structure in the first half of the 19th century was investigated in the article... (250-300 cpl).*

Key words: *Greeks, ethnic group, ethnodemographical processes, urban population, Southern Bessarabia, statistical materials, census reports (5-7).*

Анотація. *У статті на основі аналізу переписів населення міст Акерман, Тучков (Ізмаїл), Рені та Кілія досліджено чисельність грецької етнічної групи в першій половині ХІХ ст., її статеві-вікову та соціальну структуру... (250-300 знаків).*

Ключові слова: ... (5-7).

Population censuses are one of the key sources in the study of ethnodemographic processes and the ethnosocial structure of the population of the country or its individual region. In the Russian Empire, the general population census was conducted only in 1897, and the main forms of statistical population accounting in the first half of the 19th century. there were revision censuses of taxable estates, metric books and current administrative and police population records. The first census of the population of Bessarabia was conducted in 1817, at the same time as the population was made to swear allegiance to the emperor [1, p. 23]...
